

## A NEW WORLD FEAST OF TOCI

Celebrate the festival of Toci, “old grandmother,” the goddess of the Aztecs who hears the confessions of the dying. Her festival is marked by buffoonery and pranks. This feast has foods from the New World with some ingredients that came from the Old World.

### Dishes served:

Chilpachole – shrimp  
Onions and Cream  
A fruit plate of papaya, melons and plums  
Roast Turkey  
Tortillas  
Stuffed Avocados  
Squash and red beans  
Yams  
Popcorn  
Strawberry water  
Chocolate drink with peppers
